

## Endurance Events.

Endurance events are team races.

The winning team is the one achieving the most laps in the set time.

Minimum of 3 teams, maximum of 6 teams.

Each team organises team name, driver sequence, driver changes, team tactics.

Races can be of any duration but we would suggest;

3 to 4 drivers/ team/ 1 hour

3 to 6 drivers/team/ 1  $\frac{1}{2}$  hour

4 to 8 drivers/team/2hours etc.

Longer races can be organised.

The longer the race the more drivers can be in the team ( unless more driving time per driver is required )
